The Heroes in a Half-Shell are taking on the King of the Monsters!

Long before the organization was corrupted by Shredder, the Foot Clan's original purpose was to save Japan from kaiju! Now, in the present day, Godzilla and its fellow monsters have reappeared. Not only is the Foot not prepared to stop them...it would seem Shredder himself is behind the attacks! The villainous ninja is attempting to use the kaiju to create a new mutagen—one that would give his henchman a *massive* upgrade.

Can the Turtles make it to Japan in time to stop this madness?! Join superstar writer Tim Seeley *(Godzilla, Grayson, Revival)* and incredible artist Fero Pe *(Nightwatcher, TMNT x Stranger Things)* in the biggest crossover of the year!

THE EPIC CONCLUSION!

COVER B: PE

COVER C: RANDOLPH & NIELI

The epic of *Battle Nexus* concludes with the most emotionally devastating fight yet when Michelangelo faces off against an old friend long thought dead: It's Slash! Once a mindless brute who grew to become one of the Turtles' closest friends, Slash sacrificed himself to save all of Burnow Island. But how did he survive? How did he end up in the Battle Nexus? And why is he determined to destroy Mikey? Whatever the reasons, if Michelangelo falters in this fight against someone he loves, it's all over for the Ninja Turtles...especially when the big bad battle master has one final hand to play...

The adventures of the TMNT continue with stories featuring Mona Lisa, Krang, and brand-new villains inspired by the classic animated TV show!

There are some strange shenanigans transpiring at the New York Museum of Science and History: A recently acquired artifact won't stay assembled, though there's never any signs of a break-in... Raphael joins Mona Lisa to get some answers!

Then, the Heroes in a Half-Shell find themselves protecting a vault full of gold when an overconfident millionaire dares criminals to try to get past his latest and greatest security systems! Krang needs the gold for his interdimensional portal, but he's not the only villain in the city with his eye on the golden prize. And what (or **who?**) is the mysterious final security measure named G.R.E.G.G.?

In the final story, Michelangelo feels overlooked and unappreciated by his family. After stumbling across a magic genie while on his own, he's transported to a dark alternative reality where he never existed: Shredder reigns supreme, and his brothers and Master Splinter are twisted and terrifying versions of themselves! It's up to Michelangelo to overcome his insecurities and realize the importance of his ability to brighten up the world with cheer and fun.

COVER 1:25 FRANCAVILLA FULL ART

In the wake of the cataclysm known as the Burn, the dream of a united Federation stands on the brink of extinction. The only thing holding the Galaxy back from chaos is Captain Sato and the crew of the Borg-enhanced *Omega*—a ship fueled by transwarp technology and fraught with distrust.

No one on board trusts the Borg...and Captain Sato trusts their mysterious new passenger, bearing the face and name of James T. Kirk, even less. This so-called Kirk speaks of a dark future, but Sato refuses to be guided by fear or prophecy.

When a distress call from the Klingon Empire pierces the silence—urgent, cryptic, and unexpected—Sato doesn't hesitate. Whatever the risk, he will answer. Because if Starfleet's legacy is to survive, it won't be through retreat. It'll be through action.

CORRONEY FEDERATION RECRUITMENT

COVER 1:10 BIGGIE

Only two red shirts remain. The other *ten* crewmembers on Mission Squawkbox have plummeted hundreds of feet to the ground, been eaten alive by giant alien insects, or been exploded into a million tiny bits by falling torpedoes. Each death has dealt a blow to Ensigns Raad's and Miller's morale... Is Starfleet *really* the paragon of cooperation it claims to be? Or is it willing to expend its members' lives for the sake of peace? With both Klingons and Romulans breathing down their necks, Raad's and Miller's loyalty will be tested. Are they for Starfleet? Or themselves?

To save the Federation—and the entire Alpha Quadrant—Captain Janeway made the ultimate sacrifice: deleting Species 8472's data on opening a singularity into normal space. Now, *Voyager* is stranded in fluidic space...and 8472 wants them dead.

Hunted by a relentless alien fleet, Janeway and her crew go on the run, weaving through planets and asteroid fields in a desperate bid to survive. But just as hope begins to fade, *Voyager*'s sensors detect something unexpected: the wreckage of a Borg cube.

Is it a lifeline back to the galaxy they call home...or the beginning of an even greater threat?

Aboard the *Enterprise*, chaos erupts as Poilant drones attack without warning. With the ship under fire, Ortegas must push her piloting skills to the limit to buy Uhura a narrow window—one last chance to reconnect with their stranded crew and unlock the deadly mystery hidden within Poilant's strange, ancient symbols.

Meanwhile, on a desperate mission to locate a missing Starfleet research team—and their friend Jinare—Chapel, La'An, Una, Spock, Scotty, and their unlikely robotic ally D6 stumble into the clutches of a terrifying parasitic hive-mind known as *the Seed*. As the alien collective tightens its grip, one question looms: Is this the force behind Jinare's vanishing...or just the beginning of something far worse?

"This is a great addition to the Sonic comic library! The story is creative, and the action sequences are thrilling. A fantastic read!" —**ReadMyComics.com**

Relive all the action from the Netflix animated series in this graphic novel adaptation!

To secure the Prism Shard, the rebels battle the Chaos Council, and Sonic makes a startling discovery about the events that shattered his world. Then, in a dimension called the Boscage Maze, Sonic runs into tree-dwelling versions of his friends who warn him of a monster that lives on the jungle floor.

Volume 2 adapts "Episode 3: Escape From New Yoke," "Episode 4: Unwelcome to the Jungle," and "Episode 5: Barking Up the Wrong Tree" from season 1 of the 2022 Netflix series.

WHERE THERE'S SMOKE, THERE'S DINNER: CONFESSIONS OF A CARTOONIST COOK

STORY & ART: JENNIFER HAYDEN
208 PAGES • $19.99 • TPB • NOVEMBER 2025 • ISBN 9781603095679

Bursting with color, flavor, and messy emotions, this unprecedented graphic memoir and "anti-cookbook" blends comics with satirical recipes to explore the intersections of food, feminism, frustration, and family.

Jennifer Hayden has never liked to cook. She's not particularly good at it, either. But, like so many of us...she does it anyway.

Why is that? Where did these expectations come from? What happens if you don't live up to the ideal of the perfect wife/mother/chef? And would someone *please* open a window before the fire department comes?

Where There's Smoke, There's Dinner: Confessions of a Cartoonist Cook is an accidental memoir from a woman whose comics earn rave reviews around the world but whose meals earn shrugs around the dinner table.

Marinating in an unconventional and aromatic blend of formats, Hayden traces the nuances of her complicated relationship to food. Anecdotal comics alternate with wryly ironic "recipes," peppered with oven fires, explosions, prayers, and incantations. Along the way, all the salty judgments and bitter frustrations just might caramelize into some real wisdom and self-acceptance. In any case, it's all hand-painted in mouth-watering color as a tribute to Hayden's love of cookbooks...or at least the illustrations inside them.

ROSE WOLVES (BOOK 2): OUT OF THE BLUE

STORY & ART: NATALIE WARNER

152 PAGES • $14.99 • HC • DECEMBER 2025 • ISBN 9781603095693

Kids and families who love the beauty of the woods will adore this minimalist graphic novel sequel, which spins a new enthralling fable about family, disability, transformation, and the passage of time.

In the first volume of *Rose Wolves*, a young girl made a wondrous connection with a magical creature linked to a mysterious rosebush. Now she's excited to share this discovery with her mom...but as the seasons change and the forest falls asleep for winter, the world of the rose wolves must change as well. Ahead of them lie new problems, new discoveries, and even more new friends!

Acclaimed Canadian graphic novelist Natalie Warner continues her moody, tender, and captivating fable, capturing oceans of meaning without using a single word.

"Delightful and approachable."

"Straight-up brilliant... Koslowski does something nearly impossible today: he creates an enthralling new superhero universe from scratch. This book hooks a reader like nothing else on the stands today and doesn't let go until the last page." ***—You Don't Read Comics***

When superpowers aren't enough...some heroes look for a boost to give them the competitive edge. Award-winning graphic novelist Rich Koslowski continues his striking work of superhero satire!

Rich Koslowski's original graphic novel *F.A.R.M. System* pulled back the curtain on the superhero community to reveal a satirical blend of pro sports and show business, filled with heroes and hustlers alike. Now, the shocking sequel, *F.A.R.M. System: Rage*, explores the intersection of superpowers, performance-enhancing drugs, and American politics.

The F.A.R.M. System's founder, Alexander Ellison, is under heavy attack...from the hero Armor Man and his team of high-priced attorneys! They're accusing him of illegally enhancing his clients with a controversial designer drug called the Boost—a "super-steroid" that can amplify superhuman abilities to truly unimaginable levels. While Alex faces the fight of his life in the courtroom, the court of public opinion will decide whether one of Alex's most promising recruits will become...the next president of the United States.

IT'S GETTING HOT IN THE RED STEPPE AS THE PUNX TAKE A STAND AGAINST THE EARTHBORN!

For two thousand years, Aric has been a warrior. From righteous Visigoth to cosmic knight-errant, the ethereal being residing within Aric's stellar armor inspired his quest for honor. It's this woman who's traveled with Aric for millennia that inspires his journey.

The Earth Aric found upon returning to his homeworld is an untamed, mutated wasteland. When he helped a traveling family reach the safety of the PunX community at the Dive, Typhon, leader of the violent Earthborn, took offense.

Is Aric ready to be part of something greater than himself? The Steppe is a strange land, but it's home to the PunX and they are ready to defend it. In the wake of a new attack by the Earthborn, they prepare for WAR!

Steel yourself for another chapter in this explosive apocalyptic barbarian epic from writer Steve Orlando *(Scarlet Witch, Spider-Man 2099, Batman/The Shadow)* and artist Guillermo Fajardo (RESURGENCE)! Follow monthly—don't miss the badassery and blood!
